To our members, their family and friends,

Just in time for holiday gift giving, the Fraternal Order of Police of Ohio Foundation has partnered with Smartcell Fundraising to use their amazing **Stocking Stuffer Fundraising Program**. With your help, we are looking to raise funds for the FOP of Ohio Foundation and the Critical Incident Response Service.

From 11/15/2017 until 12/15/2017, shop for awesome Apple-Certified and Android cell phone accessories that can be purchased as wonderful holiday gifts for your friends and family, especially those small stocking stuffers. With everyone now owning a cellphone, the selection of great products from Smartcell will make it easy for you to find something for everyone on your list this year.

In addition to receiving great holiday gifts at great prices, our organization will receive 50% of the purchase price. Let me share that with you again: We get **50% of each sale!** This program allows us to raise a substantial amount of money for our organization by doing what we all do during the holidays: Buying gifts for our friends and family. What could be easier for us!

Please go to www.smartcellgear.com/fundraising/place-an-order and enter in our unique **Shopping Code: FOPOHIO**. You will be taken to a landing page which provides more information. Please don't be shy and share the code with friends and family so that they can also purchase great gifts, and help our organization at the same time. Please **SHARE, SHARE, and SHARE** again!

We hope you will help us. Every little purchase matters, and the beauty of this program is you get to shop for great gifts for a great purpose.

Please contact me with any questions.

Happy Holidays!
