

# Vote James Wilson for OPERS Board

## **Protecting the families of law enforcement**

It's time to revisit the OPERS decision to discontinue health care for surviving spouses of law enforcement's fallen heroes killed in the line of duty.

## **Protecting officers facing career-ending injuries**

I recognize the need for a disability and rehabilitation process to protect our members in cases involving career ending injuries. I also understand the need for maintaining an "own occupation" standard and specific process that differs for those members in OPERS-LE and OPERS Public Safety.

## **Representing - and fighting for - ALL OPERS members**

While I'm a county deputy, I'll be a voice for all county employees. It will be my goal to listen and represent county employees in order to help ensure the long term strength and stability of our pension system.

## **A Voice for all OPERS members**

Neither the OPERS Board nor System endorses any particular candidate or statement.
